

What's in a story?

Let's look at the steps to writing a story

1. Start with a **story idea**
2. **Character(s)** who is the main person or people in your story?
3. **Setting** (where and where does your story take place?)
4. **The Plot:** What is the challenge or journey for your character?
5. **Plan** your story – use a storyboard
6. **Write** your story
7. **Read through** your story. Make a list of how you can make it better
8. **Check** for correct punctuation and spelling
9. **Give your story a title**
10. **Share** your story
